

## doelen blok 4

week 1

$$4 + 4 = \underline{8}$$

$$10 - 4 = \underline{6}$$

$$9 - 9 = \underline{0}$$

$$4 + 3 = \underline{7}$$

Plus- en minsommen tot ten minste 10 ((bijna) dubbelsommen, (bijna) verdwijnsommen, 10-sommen en restsommen) uitrekenen zonder te tellen.

week 2

De getallenrij tot ten minste 50.

week 3

$$\underline{6} + \underline{4} = \underline{10}$$

$$\underline{4} + \underline{6} = \underline{10}$$

$$\underline{10} - \underline{4} = \underline{6}$$

$$\underline{10} - \underline{6} = \underline{4}$$

Vanuit een splitsing plus- en minsommen tot ten minste 10 uitrekenen.
